Intercessory *Prayer* Ministry

Are you interested in joining with other parishioners to bring Christ to people through prayer? The St. Nicholas Prayer Ministry is committed to intercessory prayers for those in our parish and our community.

Prayer is the way we make contact with God. It is simple communication with God. It is crying out to God and pouring our soul out to him. Through prayer, we let God know what we need. More importantly, prayer is listening to God. It serves as a way to hear the voice of God in our lives.

Members of the ministry receive weekly emails with prayer intention updates.

We will pray the as a group on selected Sunday mornings @10:30 am

If you want to know more about this ministry, please see Sub Deacon Phil Dinsmore for more information.
